- I have noted that the local supplement includes a tax note which describes the taxation in my country (discount, dividends and capital gains, if any, or taxation related to payroll deduction, if any) and specifies whether there is any taxation applicable at subscription.
- I have read and understood the L'Air Liquide S.A. Universal Registration Document, which contains important information on the company's business, strategy and objectives, as well as on the risk factors inherent to the company and its activities, and on its financial result.

Eligibility to the Offering

If the Employee has already an individual account opened in the register of registered shareholders of L'Air Liquide SA, the shares subscribed will be registered in the sole name of the Employee. Otherwise (no account or a joint account only), a new account in the sole name of the Employee will be opened in order to deposit the subscribed shares. Any subsequent request to convert the individual account into a joint account will be refused.
